

YOUNGEST NATURALIZED CITIZEN of the area is Randall William Egly who at the moment this picture was taken was seated in his father's lap and looking at a picture book. Randall was a German orphan. He will be three years old Sept. 21. On Jan. 28, 1958 while Richard Egly and his wife Carol were in Germany--Richard was in service there--they adopted Randall and on March 26, that same year they brought him with them to the United States by plane. The Eglys reside at 236 Fir st., New Lenox. Mr. Egly is a brakeman on the Elgin, Joliet & Eastern railroad. After their return to the states Mrs. Egly gave birth to a daughter, Jennifer Ann, who will be two years old Aug. 25. To clear up Randall's citizenship status his adopted parents appeared before U. S. District Judge Joseph Sam Perry in the federal courthouse at Chicago a few days ago --with Randall, of course--and he took the oath of allegiance which makes him a citizen. Randall can recite the Pledge of Allegiance but the naturalization oath was a trifle complicated for him so he just looked on while his parents took it for him. Both mother and father took the oath for the youngster. (Marvin Smith photo)

LeRoy Hansen, Frankfort Building Inspector, Dies

LeRoy Hansen, 49 years old, of Frankfort died Friday, July 29 at Silver Cross hospital where he had been a patient for the past six weeks.

He was born Feb. 18, 1911 in Green Garden township and moved to the Frankfort area when a small child with his parents Mrs. William Hansen and the last William.

Mr. Hansen was educated in the Frankfort schools and was graduated from Joliet Township high school. Since 1949 he served as building inspector and zoning officer for the village of Frankfort. He was a lifetime member of St. Peter's United Church of Christ.

He was employed by the Joliet Lumber and Fuel Company for 18 years.

Survivors include his widow Lucille, nee LaHue; two daughters JoAnn and Juanita; his mother Mrs. William Hansen; a brother Vernon; a nephew and four nieces all of Frankfort. He was preceded in death by his father William in 1956.

The body was taken to the Sonntag, Burgess and Wylie Funeral Home, Joliet until Monday, August 1, when the remains were removed to St. Peter's United Church of Christ for services at 2 p.m. with the Rev. Erich Bizer officiating. Burial was in Pleasant Hill cemetery. Arrangements were made by the Zechlin Funeral Service, Frankfort.

SUSPENDS LICENSES

The following licenses have been suspended for three violations according to Secretary of State Charles Carpenter, Paul S. Hauser, North Cooper street, New Lenox; Charles H. Cosgrove, 14903 Highland, Orland Park and Edward L. Mitchell, 12740 84th, avenue Palos Park.

Village Asks \$31,000 In Tax Levy

The annual tax levy ordinance for the village of Frankfort was adopted by the board at its regular meeting Monday night.

The levy this year is for \$31,980, a rise from last year but as Village Attorney Albert H. Krusemark pointed out, the fact that the village is asking that much from taxes doesn't mean that it will receive it. He estimates the amount received will be around \$23,000.

The amount of the levy is used in giving at the tax rate that will be used in determining the bill that will be paid next year.

The total appropriation for the current fiscal year adopted by the village board in the form of an ordinance comes to \$99,900. Since the tax levy is \$31,980 the remainder of the money--if available--must come from other sources.

LE ROY HANSEN

Have Praise For Hansen

Village officials of Frankfort had high praise for LeRoy Hansen, the late building inspector and zoning officer of that community, at their meeting Monday. Mr. Hansen died last week-end and his funeral was held Monday.

"He was honest and fair and performed his tasks as building inspector and zoning officer in excellent fashion," said Mayor George Sangmeister, as spokesman for the board of trustees. "Mr. Hansen never afraid to speak his mind so those doing business with him were well aware of the situation at all times. He protected the interests of all parties. We were fortunate to have had his services."

Appointment of a successor to Mr. Hansen is expected to come up at the next session of the village board. There was a brief discussion of the subject Monday but no action, taken.

Livestock Judging, Horse Show Feature 4-H Exhibit

The annual Will county 4-H fair opens today for a two-day run--in a new location. The show grounds are on Francis road, about half a mile east of Cedar road.

In the past the 4-H farm show has been held on the Peotone fairgrounds but it has always been the desire of the youngsters and the grownups who helped them to have a place of their own. One of the principal proponents of such an idea was the late Fred A. Francis, of New Lenox, who was one of the original supporters of the 4-H movement.

Mr. Francis died several years ago and a tract of land across Francis road (north) from the old Francis homestead was given in his name to the 4-H clubs of the county as a site for their fair.

The one that opens today and continues thru tomorrow will be the first to be held on the grounds. Last year the 4-H'ers began a campaign for funds with which to improve the site. The goal was set at \$125,000 and while this has not been reached enough money has been raised to erect three exhibition sheds and a building now

housing rest rooms, an office and a concession stand.

Work on the exhibition sheds was completed only this week.

A large number of entries may be seen at the 1960 show. There are beef cattle, dairy cattle, hogs, sheep, garden produce, poultry, rabbits, horses, dogs and home beautification projects.

Judging of beef cattle, sheep, rabbits, poultry, garden and home beautification projects began at 10 o'clock this morning. At 1 o'clock this afternoon judging is to start on the junior livestock feeding pro-

ject, a new event in the show.

Judging of dogs is scheduled to open at 6 o'clock this evening and the horse show is set for 7 p.m.

At 10 o'clock tomorrow morning the dairy cattle judges will begin their work, as well as those who will determine the winners in the swine and goat classes.

Superintendents for the various 4-H divisions are: Lawrence Meyer, Manhattan and Ivan Archibald, New Lenox - Beef; Dale Kratzenber, Frankfort - Dairy; Ronald Hack, Peotone - Swine and Clyde Weber, Monee - sheep. Other 4-H

show superintendents are Glenn Vally, New Lenox - Horse; E. C. Olsen, New Lenox - dog; Reynold Siemsen, Peotone - rabbit and poultry; and Virgil Selk, Beecher - garden and home grounds beautification.

Admission to the show is free. The will be another 4-H fair Nov. 7. Included in the fall show will be soil improvement, beekeeping, farm electricity, grain, handicraft, entomology, tractors, wildlife conservation, forestry and photography projects.

Death Takes Mae Scheer

Mrs. Mae S. Scheer, nee Populorum, 79, died early Tuesday morning, Aug. 2, at her home 228 S. Oak St., Frankfort.

A native of Chicago--she was born there Nov. 26, 1880 and was married Jan. 28, 1909 to Charles Scheer, Mr. Scheer, who operated a grocery store in the building now occupied by the Blaylock tavern, died in 1936.

Mrs. Scheer had been a resident of Frankfort for the past half century. She was a member of St. Peter's church and the Women's Guild there. She also was a member of Frankfort camp No. 6036, Royal Neighbors.

Surviving Mrs. Scheer are two daughters, Mrs. Stanley (Marie) Johnson, Frankfort and Mrs. Milton (Florence) Hull, Joliet; two sisters, Mrs. Blanche Mitchell, Frankfort and Mrs. Grace Iversen, of Evanston.

Removal was to the West End Funeral home, Chicago Heights where relatives received friends yesterday. The body is to be brought to St. Peter's Church, Frankfort, at noon today to lie in state until 2 o'clock when services will be held with the Rev. Erich Bizer officiating. Interment will be in Pleasant Hill cemetery. Zechlin Funeral Service are in charge of arrangements.

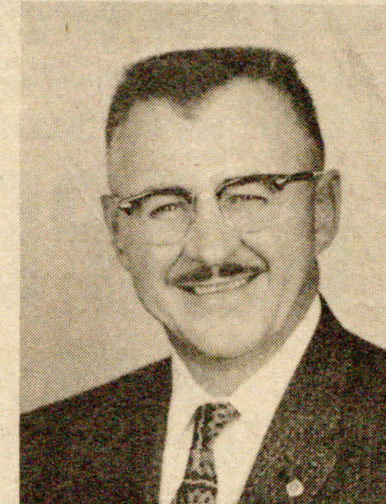

Frankfort Town Board Names George J. Tate Supervisor

George J. Tate Sr., 52, of Frankfort, has been named to fill the unexpired term of William Kampe, as supervisor of Frankfort township. Mr. Kampe died July 9, following a sudden illness. He was the dean of the Will county board.

Mr. Kampe's term would have ended in April, 1961. Mr. Tate, appointed to the post by the Frankfort town board, has been sworn in and is now in charge of the office.

The town board is made up of Town Clerk Harold Cooper, of Mokena; Assessor Harold Smith, Frankfort; Highway Commissioner Walter Yunker, Mokena and Justice of the Peace August Werner, Mokena.

Mr. Tate has been a resident of the village of Frankfort for the past

GEORGE J. TATE

Lincoln-Way Employs New Gym Teacher

A new physical education teacher will fill out the fall roster at Lincolnway High school, Supt. A. Hunter Chapman reported last week.

Charles D. Sarkinen of Minneapolis was hired at the July 28 school board meeting. He will teach gymnastics in both boys' and girls' classes.

Sarkinen received his bachelor's from the University of Minnesota this spring. He has experience as a camp counselor. He was also assistant gym instructor at the Minneapolis YMCA.

A letterman two years, Sarkinen was a member of Phi Epsilon Kappa professional fraternity and Delta Kappa Phi social fraternity.

Sarkinen will replace Kenton Conner who was hired earlier for the fall session. Conner resigned to continue graduate work.

14 years, coming here from Chicago. He is a plumber by trade and works with Frank Eisenbrandt. He also is the owner of Tates Kool Corner, U. S. 45 & 30, and has an interest in the miniature golf course adjacent to the drive-in.

"Mr. Kampe was an excellent supervisor," Mr. Tate said, "and provides a fine example for those who come after him. I will do my best to serve the community and the county to the best of my ability."

"I appreciate the confidence shown in me and will endeavor to merit it thru my actions and service."

Mr. Tate resides on Franklin street with his wife and a son, Michael, 16, a junior at Lincoln-Way high school. The Tates have another son, George Jr., who is in the U. S. Navy.

A spokesman for the town board said the group had considered several persons for the job before deciding upon Tate. The latter was highly recommended, the spokesman said.

When a new supervisor takes office the records of his predecessor are audited. This is required. In keeping with his regulation Mr. Kampe's records were checked and as they had in his long years of service, came out correct to the penny.

Supervisor Tate will be assigned to county board committees later.

\$2,500 Damage

Fire destroyed a frame building in Lincoln Estates Friday morning.

R. A. Nowicki, owner of the property on Pioneer drive, estimated the loss at around \$2,500. The building was used to store lumber and other materials, Nowicki said.

The New Lenox fire department was called to the scene. They worked to prevent the fire from spreading to nearby homes.

The building was about six years old.

Hold Funeral Sunday For Mrs. Jennie Cooper

Last rites for Mrs. Jennie Cooper, 72, were conducted Sunday afternoon from the Hirsch chapel, Tinley Park, to St. John's United Church of Christ at Mokena. The pastor, the Rev. Theodore Wimmer, officiated. Burial was in Orland Park Memorial cemetery.

Mrs. Cooper was born in Mokena, Nov. 6, 1887, the daughter of the late Mr. and Mrs. John Liess. She attended the Mokena public school and when her brothers, Frank and Charles Liess opened a grocery store in the village, she clerked there for 12 years. When the Mokena State bank was opened in 1908, with her brother Frank as cashier, she assisted him in that work and in 1912 was appointed assistant cashier. She held that office until March 4, 1918 when she and Herbert Cooper were married.

She and her husband set up housekeeping on the farm, 179th st., and route 6, in Orland township, just a few miles northwest of Mokena. She had resided on this farm since. For many years she suffered with arthritis. In May, she underwent surgery in Silver Cross hospital and seemed improved. Last Tuesday she became seriously ill again and was removed to the hospital where she died Thursday afternoon.

Surviving, besides her husband, are two daughters, Mrs. Janet Knieriem, Mokena and Mrs. Mildred Ferris, Morris; six grandchildren; two sisters, Mrs. Mary Leonhardt, Joliet and Mrs. Freida Voss of Leno, Calif.

Mrs. Voss and her husband, Walter were here at the time of Mrs. Cooper's death.

Hires Five New Teachers

The New Lenox grade school board has hired five new teachers for the coming school year, it has been announced by Supt. John Oster. Two of them will replace two teachers who resigned at the close of the 1959-60 term. The others were hired because the increasing school population has made it necessary to build additional classrooms.

One of the teachers hired, however, will also serve three other schools in the area, Mokena, Frankfort and Manhattan. She is Mrs. Harriet Westerlund, who will have charge of a speech correction program. Mrs. Westerlund is a graduate of the University of Illinois and has taken post graduate work at Northwestern.

Another of the newly hired teachers is Russell Koerner, of Joliet, who will teach in the sixth grade at Haven school. He was graduated from Illinois college at Jacksonville and took post-graduate work at the U. of I. He has been teaching for the past two years in the Braidwood public school.

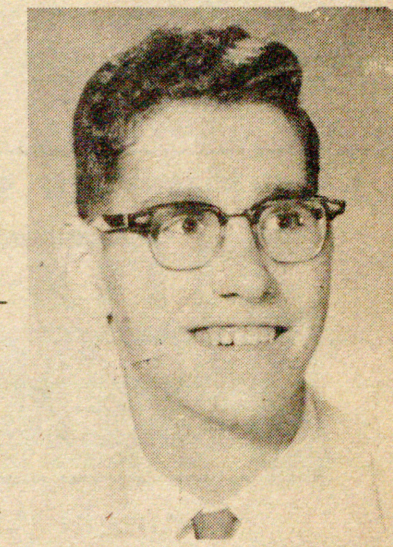

Also hired is Mrs. Ottoline Aten,

of Essex, Ill. She will teach in the first grade at Oakview school. Mrs. Aten is a graduate of Eastern Illinois university and has been teaching for many years, the last five in the public school at Godley.

Miss Shelby Brown has been employed to teach language arts in the seventh and eighth grades. She recently received an AB degree from St. Francis college at Joliet. The fifth teacher employed is Mrs. Mary Kelly. Mrs. Kelly who has a degree from the University of Illinois, has been teaching for several years in the Joliet city schools.

The two teachers who resigned are Mrs. Marjorie Mead, a first grade teacher, and Mrs. Lois Meyer. Mrs. Meyer decided to quit teaching, for the present at least, and Mrs. Mead is leaving the New Lenox system to take a job in the Tinley Park schools.

There will be five new classrooms at Oakview ready for use when classes resume in the fall, Supt. Oster said. Oakview will house kindergarten thru grade six. Haven will handle grades fifth thru eighth, plus two lower grades.

ACCEPTED as student at Valparaiso (Ind.) university is Michael G. Dina, son of Mr. and Mrs. Anthony Dina, 138 Front st., Mokena. Young Dina graduated from Lincoln-Way high school in June. He plans to enroll in the college of liberal arts and sciences. Valparaiso expects a total enrollment of 2,600 this year. It was announced. Of this number more than 1,000 will be new students, university authorities say.

Seek Clues To Valley View Safe Burglars

Sheriff's deputies are seeking clues to the Valley View Farm restaurant burglary. Thieves entered the cafe on U. S. 30, near Wolf rd., sometime early Saturday morning and made off with \$7,000, \$1,800 from the safe and cash register, and \$4,200 from a safe according to the report given Sheriff Gilbert Knater.

They also took the safe but abandoned it in the front yard at the residence of Thomas Geary, at Wolf rd. and 203rd St. The combination knob on the safe had been knocked out and the door pried open. The safe had been in the Rhythm Barn.

From concrete dust found, investigators believe the thieves had started to work on the safe indoors and then decided to take it outside to finish the job. They pried open the doors of the cash register, thus wrecking the machine.

There were no signs of forcible entry to the restaurant, according to the investigators report.

Thomas Geary told deputies that he awoke about 4:15 Saturday morning and saw a car parking in his driveway. He also saw two persons in his front yard, with flashlights, and assumed they were hunting night crawlers.

NEW BAND ROOM at Lincoln-Way will not wait until the fall term to see service. The L-W high school band will be quite familiar with it before vacation is over. Director Robert Taylor was putting his charges thru rehearsal for two outdoor concerts when this picture was taken. These concerts are to

be given in the picnic area at the north end of the campus. One is scheduled for next Sunday, Aug. 7. The other will be two weeks from Sunday--Aug. 21. The band is made up of students from Mokena, Frankfort, New Lenox and Manhattan. (Marvin Smith photo).

N. Lenox A. Of C. Elects Staff For Current Year

The first permanent officers of the New Lenox Association of Commerce were elected at the July 26 meeting. Ronald Whitaker, an insurance broker and acting chairman of the new group, is president.

The other officers are: Lester Brown, postmaster, vice-president; Harvey Frick, an insurance broker, secretary; and Evans Drotts, also an insurance broker, treasurer.

Directors are George Vally of New Lenox Lumber and Hardware, Ceward W. Batson, a builder and subdivider and Earl Moss of Moss Equipment.

While some 60 persons signed up as temporary members, Whitaker estimates about 35 will remain permanently. The group was formed for business and professional people in the village. However, anyone in New Lenox township interested in the programs can join.

Meetings are held at noon on the second and fourth Tuesdays of each month in the New Lenox Methodist Church. The \$15 semi-annual dues covers the two luncheons at 1 p.m.

The new group will associate with the Illinois State Chamber of Commerce, Whitaker said.

The idea for a commerce organization was first born over a year ago when several businessmen desired more contact between the village board and businesses

in town. The group was organized in May.

The last similar group in New Lenox, according to Whitaker, was a Businessmen's Organization that ended in 1948. Prior to that a Civic Club was active in the late 1930's.

How much voters are influenced by party platforms is a question one hears debated now and then by political students over a cup or a glass. The answers, however, are inconclusive as they are generally sifted down to the fact that they are but the opinions of the speakers.

Therefore, it was with some interest that we listened to a man addressing another man in a store the other day. He sounded to be a convert to the Democrat cause and declared that it all came about because of the platform adopted by that party in Los Angeles.

"I want you to know," he told his companion "that I am 62 years old and I have never voted in my life."

There was a note of pride in his voice but why he should have been proud of such a flagrant neglect of citizenship is difficult to say, but there it was.

"Yes Sir," he went on, "I ain't never voted before but I'm going to vote this November and for Kennedy. Did you read or hear his platform? That's for me. I won't have to work any more if Kennedy gets in -- the government is going to take care of everybody."

The pair moved off and we did not learn if the convert made another convert as a result of the first convert's interpretation of the Democratic platform.

To him it was not just pie in the sky but pie in the sky--a la mode.

In the final analysis Congress will determine what planks, if any, of either platform will become laws but the "new" voter whose remarks are recorded here isn't thinking about that. He is just like too many people-- he wants something for nothing.

Whether he breaks his 41 year record of non-voting is something we will never know. In all probability he will forget to register.

Letters To The Editor

COMPLAINS OF MUD To the Editor

Dear Sir: When will Mokena ever change? We still have mud in the streets of Mokena. We still have puddles of water after every rain.

We are paying the highest taxes of our lives and can ill afford them but the mud puddles are there after every rain. The customers going into the stores must stop in mud puddles to do their shopping. The village has had the stone piled up to look at but the effort to put it in the puddles is lacking.

The village of Mokena put a half-cent tax on everybody. They are lined up now for over \$4,000 in gas tax refunds but still the side puddles are there.

Take a walk after a rain and see for yourself the sloppy housekeeping. You still have two policemen bringing in extra money but the puddles of water are still there. They tell me they were there 100 years ago when the main street was black mud. I remember when it was still black mud. I walked thru it, I drove thru it, I got stuck in it. After all these years they have fixed up the middle of the streets but the shoulders are still puddles. I guess they leave them so the birds will have a place to drink dirty water and take a bath. The birds thank you Mr. Mayor and Village Trustees but new comers and the old timers are wondering how long it will take to get rid of the bird baths on every street in Mokena.

A Muddy Oldtimer.

On Second Thot

By GLENN F. LOGAN

"Well, son," boomed Jeff Throtbottom as he breezed into the office the other day, "what is old and unexciting?"

"Don't answer that one," he went on, noticing me take a deep breath, "can see that it would take too long."

He fielded a cigar from my shirt pocket as he passed around the desk and folded himself into a chair with an easy, fluid motion.

So much is fluid about Jeff that most of his movements have a sort of bourbon overtone.

"Now that the political conventions are over," he resumed, firing up his cigar, "there should be a lull while newsmen catch up on their sleep and the candidates and party spokesmen restock on breath in preparation for the fall campaigns."

"I have noticed," Jeff continued, "that the radio is using short fillers now to round out a time segment just as a printer does to eliminate a piece of white space at the end of a column."

"I was listening to a program of blues and ballads today," Jeff went on, "and apparently there was a second left because after the announcers had dragged out considerable detail regarding the singers and songs -- and repeating himself a couple of times -- he remarked that statistics show there are 1,600,000 ukelele players in the United States."

"He was rather airy about it, tossing off the figure in a light manner as if it meant nothing. It probably didn't, to him, and I admit that it meant nothing to me personally but I am a sensitive, sympathetic soul and when I thought of what a devastating effect such information could have on music lovers I saddened."

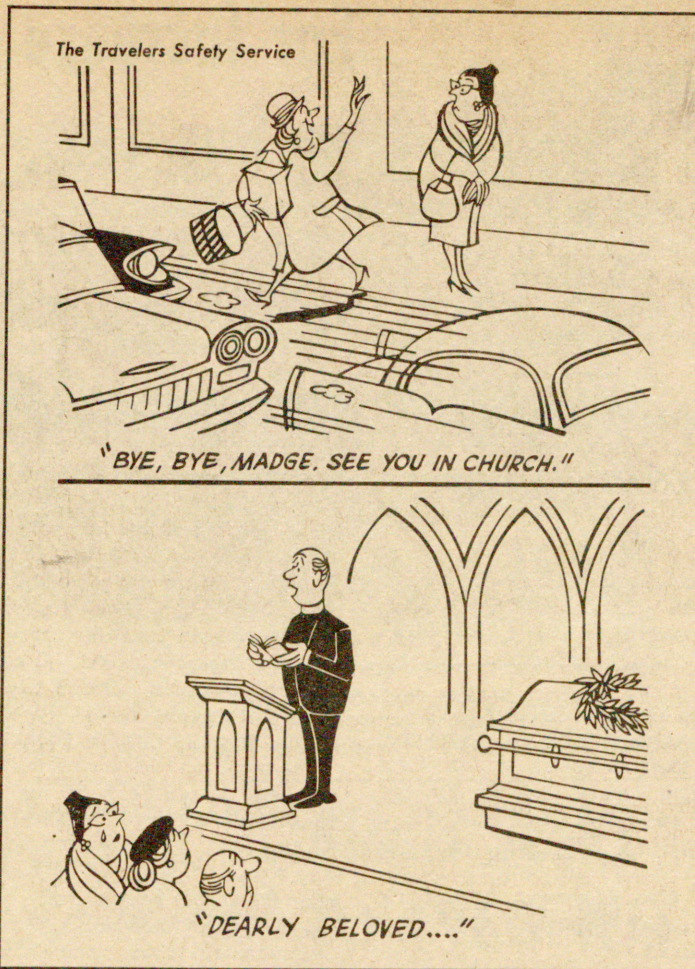

"Yes sir," I shuddered, "just think of it" Jeff continued with awe in his voice, one million, six hundred thousand and ukelele players in the U. S. and as we talk the number probably is increasing.

"Why that is three times as many ukeleles as there are men, women and children in Hawaii where the instrument is said to have originated. That means if the people in the Islands want to catch up with us in the number of ukes each one of them would have to play three of them at once."

"Which," Jeff said reflectively, "would be quite a novelty act at that. And another thing -- by the time the people had it mastered they would have developed the longest fingers in the world. But that would have a practical value too; they could probably pick two or three pineapples at a time."

Business & Finance

BY MAURICE P. ANGLAND

Each month Fortune magazine carries a summary of business opinions under title Business Roundup. The July issue carries their forecast for the next eighteen months.

The article notes that we are now in the midst of a large experiment in economic stabilization and that the national output failed to climb sharply as expected in rebound from the steel strike.

It goes on to state that due to fact that the country is not experiencing the excesses of a boom, the chances of continued prosperity through 1961 are strengthened.

The increases in 1960 and 1961 are not expected to be large, but are substantial on an over-all basis.

The article continues noting that the coming year will resemble 1856-57. At mid-1956 the last boom was two years old and growing tired and yet output continued to advance by three per cent over the next fifteen months. It continues that now as then, a rise in most sections of the economy, led by an increase in defense spending, is to be expected.

The summary notes that the economy is now in a better position to give a boost to prosperity, than it was in 1956. Prices are steadier and unemployment larger and the Federal Reserve has changed credit policy as it did not do in 1956-57. This should help strengthen home building, public works and other investment. Business also has been more conservative in inventory accumulation and avoiding excesses.

It is stated that "-- a repetition of the 1958 cut backs of \$10 billion in inventory and capital spending is out of the question. At the same time, there is little chance of a huge upward surge in production. One factor that could set it off is a new national decision in favor of a really major step up in defense effort -- by say \$5 billion per year; this cannot be ruled out as a result of the November elections and Mr. Krushchev's new bellicosity."

The article goes on to point out that the Federal Budget has tended to have a deflationary effect last year, it will tend to have an expansion effect in the months ahead.

"But," I objected, "they couldn't march very far to the east before they would be spang in Lake Mich ----"

"Exactly, my boy, exactly," boomed Jeff, and with an easy motion w. s on his feet and headed for the door. "And the music lovers of the country would hail Mr. Maxwell as the Great Deliverer."

Hints For Homeowners

Some of the most attractive and most easily grown garden perennials are the Hemerocallis or Daylily.

Their attractiveness and color make them very desirable, and in addition they require almost no care and have few insects or diseases.

The name Hemerocallis is derived from the Greek and means "beautiful for a day." This name is somewhat misleading for although individual flowers last only a day, the flower stalks are beautiful for weeks as the flowers open.

Daylilies grow best in a medium-heavy loam. They have been raised with considerable success, however, in soils ranging from the lightest sandy types to the heaviest clays, and under widely varying climatic conditions. To get the soil into good physical condition, spade it deep and work in generous amounts of well-rotted manure, compost, leafmold, or peat. This organic matter helps to maintain good tilth, aids in holding moisture, and acts as a storehouse for plant nutrients. Sandy soils are especially benefited by applications of organic matter.

The daylily does well under a wide range of moisture conditions. While certain varieties will grow satisfactorily in extremely dry and also in excessively wet areas, most daylilies prefer good drainage and moderate moisture. In gardens with poor drainage, mounding up the beds is a practical solution to the moisture problem.

Since the daylily is so undemanding in its needs, little attention has been given to its pH requirements. A slightly acid or near neutral reaction is considered best. However, the soil may

be somewhat acid (pH below 7.0) or alkaline (pH about 7.0) without much affecting growth. It is reported that daylilies become pale or yellow-green where the soil is highly alkaline.

For top performance the daylily should be planted where it receives full sunlight most of the day. Many varieties grow quite well, however, if they receive only morning sun and are partially shaded during the afternoon. The light shade from a distant tree or mottled sunlight, such as found in open woodland, is ideal.

Daylilies can be moved anytime during the season but do best if dug just after blooming and replanted so that a good root system can be established before winter. The plants should be spaced about two feet apart as they multiply rapidly. The roots should be planted with the crown about one inch below the surface of the soil. Deep planting causes loss of vigor and poor bloom.

Most people are familiar with the old fashioned daylily or lemon lilies which although attractive were a pest because of their spreading habit.

Most modern varieties lack this weedy character.

Any homeowner can receive a great deal of pleasure from daylilies with a minimum of time and effort.

Much of the above information was derived from a comprehensive booklet on daylilies available at a charge of 35¢ from the Assistant Farm Adviser's office, 201 North Dunton Avenue, Arlington Heights.

N. Lenox Board Sets Service Rates For Sewers

The New Lenox village board at its meeting last night adopted an ordinance setting up charges to be made for sewer service when the system is completed.

Four categories are listed in the measure with the charge in each:

Single dwellings...\$5 a month
Commercial bldgs...7.50 a month
Churches...7.50 a month
Schools...25 cents per pupil per mo.
Billing will be on a quarterly basis. The first quarter ends March 31; the second quarter, June 30; the third, Sept. 30 and the fourth on Dec. 31. The ordinance provides that bills are to be sent

out at the beginning of the quarter following the period for which the service was given.

Bills are payable 15 days after they are sent out. Paid after the 15 day period they will carry a 10% penalty. Bills not paid within 30 days will be declared delinquent and liens will be registered in the county recorder's office against the property.

Such liens, it was explained by Village Attorney William Penn, would have to be paid before the property could be sold.

"The owner, occupant thereof and the user of the service are jointly and severally liable to pay for the service," the ordinance declares.

After the sewers are in, the ordinance states, septic tanks and outdoor toilets will be outlawed in areas where the mains are accessible. Property owners will have 60 days in which to make connections. After that period such connections will cost them \$150.

The ordinance provides a way to have property owners hauled in for operating a nuisance if they fail to make connections with the

sewer.

Persons who fail to connect their property to the sewer are also subject to a fine of up to \$100 for each offense. Each day the violation persists is considered a separate offense.

L W May Ask For Increase In Bus Tax

A transportation tax hike is being considered by the Lincolnway high school board which would bring the rate up to five cents. It is now two cents. The board's budget committee estimated a \$9,000 deficit in next year's transportation account. Another \$6,900 will be due on the last two buses purchased by the school.

A two cent tax was levied the past two years. The committee feels the extra \$20,000 per year income besides State reimbursement would put the school bus program on its own feet, financially.

A special meeting was scheduled for last night (Wednesday) to consider the question. Voters may be asked to approve the tax increase at the special election Sept. 17.

The tentative total budget for the new year shows \$417,000 for the educational fund and \$180,000 in the building fund. The board will schedule a public hearing on the budget after the school year starts.

School superintendent A. Hunter Chapman said it may be necessary to borrow \$85,000 for educational funds and \$40,000 for building funds. This will be paid out of the first taxes next year. Only \$95,000 was borrowed for the year just ended, Chapman said.

In other business, the board accepted a bid from Mokena Electric Supply to take care of the school's light bulb needs for 1960-61 school year. The bid was \$1,300.

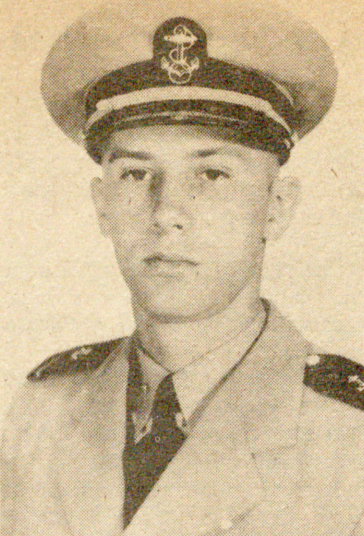

The board is still taking bids for oil and blacktop work on the school's entrance drive and parking lot.

Receives Notice Of Appointment

Archie Ward, 80 years old, 144 Barbara Lane, New Lenox, the only Spanish War veteran in this area, was honored, Monday, July 25, when he was appointed to the Spanish American War veterans' commission by Gov. Stratton. He will fill the vacancy of W.R.C. White who died last December.

Mr. Ward enlisted in California during the Spanish American war. He is past camp commander of Sibony Bay, Camp No. 8, Rock Island, and a past department commander of the State of Illinois.

He and his wife spend their leisure time with their hobby of gardening.

ON CRUISE with the Pacific fleet is Midshipman Robert A. Hughes, son of Mr. and Mrs. B. R. Hughes, 106 Hawthorne st., New Lenox. He is one of the 30 midshipmen aboard the destroyer USS Shields to get practical "at sea" experience in seamanship, navigation, engineering and gunnery to help prepare them for a naval commission upon graduation from college. Robert Hughes is a student at the University of Idaho, class of 1963.

Bible School To Begin In Mokena Churches Monday

The daily vacation bible school of the Methodist and St. John's United Church of Christ both of Mokena, will be held for two weeks beginning August 8 thru 19. As this is a combined project classes will be held in both churches with leaders and teachers volunteering their services from both churches.

The school will be for children of kindergarten thru junior high school beginning at 9 to 11 a.m.

The Rev. Robert H. King, pastor of the Methodist church and the Rev. Theodore C. Wimmeler, pastor of the St. John's church will be deans of their respective churches during the bible school session.

Railroad Is Ready To Lease Land

Frankfort has an opportunity to provide off-street parking in the business section but whether it should be thru the village or the business men is a question to be resolved after study, it was agreed Monday night at a meeting of the village board.

The lease that the Frankfort Lions club held on the New York Central property along Kansas Street has expired. The village had been toying with the idea of renting the property for parking. The Lions club offered to turn over its lease to the village more than a year ago if the village would build an ice skating surface in the park. The Lions club had scooped out the railroad property for the required number of inches to provide a man-made skating surface for the use of residents of the community, young or old.

The village put out feelers to the railroad to ascertain if possible what plans it had for the property and whether the com-

pany would give the village a lease. No answer has been forthcoming from the railroad until now.

The N. Y. Central is now prepared to give the village a two-year lease, subject to the usual 30-day cancellation clause, for a rental of \$50 a month plus payment of the taxes and erection of a barricade along the right-of-way. The property extends along Kansas street for approximately 249 feet and runs back to the railroad tracks.

Outside sources suggested the village lease it and install parking meters.

Besides taking the question up with the Chamber of Commerce the village also will ask the Lions Club whether it plans to or would like to take another lease on the property.

One of the most growing pastimes in America is boating. This is a sport of great interest to men from every strata of society. Just a few years ago it was something unusual to see a factory worker out boating on a Saturday afternoon.

It is an enjoyable sport (the writer knows from experience). Certainly, it is heartening to see America putting forth some effort for its recreation instead of just sitting as a spectator.

Boating can be a dangerous sport, however. There are some individuals that seem to feel that it is not difficult for others and themselves to do a bit of show-boating. Be careful with your speedboat.

Highways cannot be carved out of a lake or river and thus you must use a bit of gracious driving to insure not only an enjoyable but a safe afternoon or evening.

All new boat owners should check with the Coast Guard as a first "must". There are various rules and regulations for your own protection that your Coast Guard is waiting to explain and if necessary to enforce.

There have been some recent changes as to the number of passengers that may be carried in a small craft, etc. It is a good plan to check out with the Coast Guard every year. They will not feel that you are a pest if you check out your boat every spring

with them. So, water ski and race your boat. However, observe their rules and have a safe and certainly a happier summer.

FOOTBALL: The College All-Stars are at work up at Northwestern. The minds are beginning to turn to the pigskin, in spite of the two great pennant races that are new in progress in both the National and American leagues.

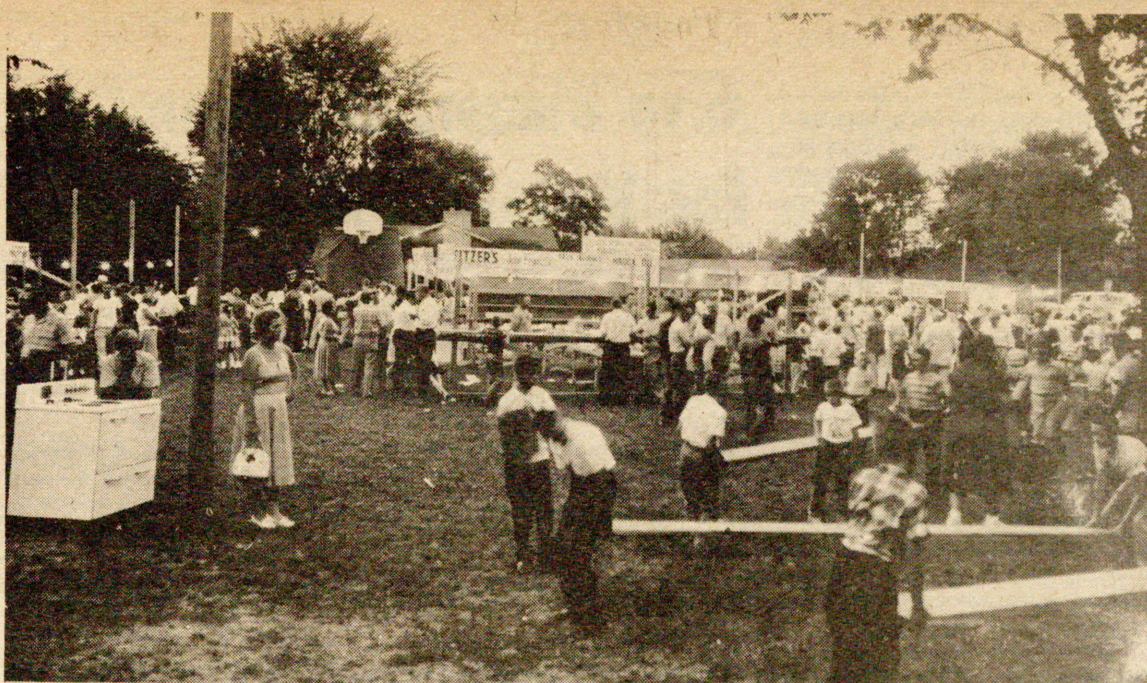

Our high school footballers are not much more than three weeks away from the first call for practice and equipment and not too too long from that first contest.

Lincoln-Way pulled the stunning upset over Rich last fall and is expected to field a fine club this year. Carl Sandburg, who missed a tie for the title when they were tied by Bremen in the season's finale will be seeking to capture a first football crown this next year.

Bremen loses a few key men, but should have enough back to give every team in the SWS trouble. Rich is always tough and will be again this year.

However, barring injuries and other unforeseen incidents that the good football and basketball will come out of our section of the SWS conference.

Lincoln-Way should be better. Sandburg should be just about as tough—if not tougher than last year. Bremen has been and will continue to be a team to defeat—

if anyone is going to win the Conference crown.

Rich hasn't had a bad team and you don't want to think that this will be a bad one—it doesn't appear to be at this point.

A winner will be much harder to pick this year than last.

Any of these three teams could upset the Rocket monopoly this year and be the new conference crown carrier.

Kladis Seeks 1st 1960 Win In Midgets

Chicago driver Danny Kladis, who as a newcomer last summer won six feature events, will aim for his first of the 1960 season Saturday night in the midget auto races at Joliet Memorial Stadium.

Kladis piloted his way to a close second place finish in the race for the 1959 track title, behind Bob Tattersall of Streator. But the best he's done this year are two first place finishes in heat races, and a semifinale victory.

Saturday's main event will be at 25 laps. It will be preceded by four heat races, a handicap and a 15 lap semifinale. Time trials start at 7:30 p.m., and the first race at 8:30 p.m.

Among the title contenders in Saturday's lineup will be Warren Schiebe of Denver, Colo.; Byron Fisher, Lemont; George Sellery, Westchester; Tony Lenti, Markham; Ray Elliott, Lockport; and Willie Wildhaber, Dwight.

Closest in the race for the 1960 championship still are Russ Sweedler, Joliet speedster in his third year of midget auto competition, and Lenti, a veteran of 13 years.

N. L. Teacher's Brother Drowns Water Skiing

Mrs. Della Hussey, 135 First avenue, New Lenox, a teacher at Lincoln-Way high school, received word last Sunday, July 24, of the death of her brother, James, in a water skiing accident.

A2/c James Isenhardt stationed at the Beal Airforce Base, Sacramento, Calif., was water skiing in a lake during the accident; his life preserver broke and he drowned as he was unable to swim.

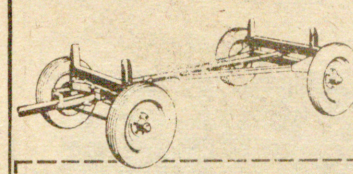

Mrs. Hussey and daughter Donna attended his funeral services at Chadwick last Friday.

MOKENA

Misses Sandy and Carol Sherwood, daughters of Mr. and Mrs. Kenneth Sherwood recently won trophies in the Indiana State water skiing tournament held in Elkhart, Ind. Sandy won a trophy in jumping and one in slalom in the junior girl's class. Carol received her trophy for tricks in skiing. The family are members of the Oppo Boat and Ski club at Bass Lake, Ind.

Mrs. Russell Stankus is a patient in Silver Cross hospital.

Boy Travelers Back Home Again

While local, county, state police and volunteers searched the countryside Saturday night and all day Sunday for two Mokena boys reported missing, the two youngsters were enjoying themselves as visitors in a home near Downers Grove. Their whereabouts became known Sunday night and they were brought back to Mokena around midnight. The two youngsters are Walter Lach, 12, and Leslie Bisgrove, 11 years old. The Lach boy left a note saying he and Leslie were going away for a couple of days but didn't say where. The note was not immediately found. Assisting in the search were members of the Civilian Defense units of Frankfort and Mokena and the Will County Police Auxiliary.

New residents in the New Lenox grade school area, or those who will be moving into the area in time to start their children at Haven or Oakview schools, are asked by Supt. John Aster to contact the Oakview school office at HU 5-5511, so they can be registered in time for school. The office will be open from 9 a.m. until 4:30 p.m. Schools will re-open for the new term on Sept. 6.

BLUEBIRDS 4-H CLUB

The Bluebirds met July 26, at the home of Joyce Schwab with their leader Mrs. Gus Termuende. Talks and demonstrations were given by Judy Termuende and Mary Ann and Janice Sampson.

The next meeting will be held August 16th at 1:30 p.m. at the home of Penny McPartlin.

Mr. and Mrs. Alman Rudolph and son Charles, and Clemens Rudolph have returned to their home at Fairmont, Minn., after

spending a week here with Mr. and Mrs. Ernest Pfeiffer, Haines Ave.

Mrs. John Olson, Mrs. Alfred Mitchell Sr., and Mrs. Margaret Knapp were hostesses July 26, at the monthly meeting of the Women's League of Trinity Lutheran church. Mrs. Rudolph Ort conducted a L.W.M.L. workshop on "Mary and Martha."

Miss Karen Braun is vacationing in California for two weeks with relatives.

Thirty five families were represented at the Pot Luck and Pound party given last week for the Rev. Gordon A. Rice and family of the new Nazarene church on Wood street. Various games and group singing were enjoyed during the afternoon, and many gifts were presented to Rev. Rice and his family.

The Minuth School of Dance put on a show for the Veterans at Dwight, Wednesday evening, July 27, sponsored by Cantigny Post in Joliet.

The post furnished transportation and refreshments for those who participated. The school of dance has taken part in three parades recently. Gas heats water faster... costs less too!
FASTER? Sure! There'll be plenty for the whole family! New, fast-recovery Gas water heaters replace hot water almost as fast as it's used. This means that clothes can be laundered, baths or showers taken, dishes washed—all at the same time, if that's necessary. There'll be no more skimping, no more waiting to satisfy all those household needs—when a Gas water heater is on the job.
COSTS LESS? Much less!—only about 10c a day to operate—and that's far less than any other automatic water heating method!
YES, have all the hot water you want, fast, at lowest cost—with a modern, compact, Gas water heater!
Special trade-in allowance
For a limited time, to help you learn how wonderful a new GAS Water Heater can be, we'll give you an attractive trade-in allowance on your old water heater.
And the easiest terms, ever...

AN ORDINANCE DECLARING CESSPOOLS, SEPTIC AND SEWAGE TANKS AND PRIVIES A PUBLIC NUISANCE, AND ESTABLISHING THE SEWERAGE SYSTEM OF THE VILLAGE OF NEW LENOX, WILL COUNTY, ILLINOIS.

ORDINANCE NO. 83

WHEREAS, the Village of New Lenox, Will County, Illinois has heretofore by Ordinance duly adopted, provided for the construction of a sewerage treatment plant and a sanitary sewer system for said Village and the issuance of sewer revenue bonds to defray part of the cost of constructing such improvements, pursuant to and in compliance with the provisions of Article 60 of the "Revised Cities and Villages Act", and all laws amendatory thereof and supplementary thereto; and,

WHEREAS, pursuant to the terms of the Act above referred to and the Ordinance heretofore passed authorizing the construction of such improvements and the issuance of said bonds, it is necessary that the Village charge the inhabitants thereof for the use thereof and the services supplied by said sewerage system, established rates therefor, and provide for the collection thereof; and,

WHEREAS, it is necessary that the Village assure the payment of the rates established for the use of said sewerage system.

NOW, THEREFORE, BE IT ORDAINED BY THE VILLAGE BOARD OF THE VILLAGE OF NEW LENOX, WILL COUNTY, ILLINOIS, as follows:

Section 1. That there shall be and there are hereby established rates or charges for the use of and for the service supplied by the sewerage system of the Village of New Lenox, Will County, Illinois, as follows:

FOR SINGLE DWELLING RESIDENCES \$5.00 per month
FOR COMMERCIAL ESTABLISHMENTS \$7.50 per month
FOR CHURCHES 7.50 per month
FOR SCHOOLS .25 per month

per pupil

and such other rates as shall from time to time be established by the said Village of New Lenox, Will County, Illinois.

Section 2. That for the purpose of the operation of the sewerage system, the calendar year shall be divided into quarterly periods, said periods to begin on the first days of the months of January, April, July and October. The rate or charges for service above provided for, shall be payable quarterly on the first day of the month immediately following the end of the quarterly period for which service has been supplied. The owner of the premises, the occupant thereof and the user of the service shall be jointly and severally liable to pay for the service on such premises and the service is furnished to the premises by the Village of New Lenox only upon the condition that the owner of the premises, the occupant and user of the service are jointly and severally liable therefor to the Village of New Lenox.

All bills for service shall be rendered quarterly as of the first day of the month succeeding the quarterly period for which the service is billed, or as soon thereafter as possible, and shall be payable not later than the close of business on the 15th day after the date the bills are rendered. If payments of the full amount of the bill are not made within said period, then a penalty of ten (10) per cent of the amount of the bill shall be added thereto.

Section 3. In the event the charges for service are not paid within thirty (30) days after rendition of the bill for such service, such charges shall be deemed and are hereby declared to be delinquent, and thereafter such delinquencies shall constitute liens upon the real estate for which such service is supplied, and the Village Treasurer is hereby authorized and directed to file sworn statements showing such delinquencies in the Office of the Recorder of Deeds of Will County, Illinois, and the filing of such statements shall be deemed notice for the payment of such charges for such service.

Section 4. If the rates or charges for such services are not paid within thirty (30) days after the rendition of the bill for such services, such services shall be discontinued without further notice and shall not be reinstated until all past due bills including the penalties thereon are paid in full, together with payment made of \$5.00 for reinstating such service.

Section 5. Upon completion of the construction of the sewer system in and for the Village of New Lenox, it shall, in the interest of the public health and welfare, be, and here is declared mandatory that all residences, commercial establishments, schools, churches and other structures located within the Village of New Lenox, be connected to said sewerage system. Any such owner, or occupant, of property failing to connect to said system within sixty (60) days after completion of the construction of said system and availability of and

service therefrom, shall be charged a connection fee of \$150.00.

Section 6. No cesspool, septic or other sewage tank, seepage bed or privy shall be constructed on property to which a public sewer is accessible.

The use of all cesspools, septic or other sewage tanks, seepage beds and privies already constructed on property to which a public sewer is or becomes accessible shall be discontinued not later than sixty (60) days after the completion of the construction and availability of said public sewerage system.

Section 7. Any cesspool, septic or sewage tank or privy which shall be constructed or maintained on any property in violation of the provisions of this Ordinance, shall be and the same is hereby declared to be a public nuisance and shall upon five (5) days notice to the owner or occupant of said premises, be abated. Should the owner, or occupant, fail or refuse to abate said nuisance within five (5) days after receiving notice thereof from the Village of New Lenox, then the Village of New Lenox shall abate said nuisance and the owner of said premises shall be liable to the said Village of New Lenox for the costs and expenses of abating the same.

Section 8. It is hereby made the duty of the Village Treasurer of the Village of New Lenox to render bills for service and for all rates and charges in connection therewith and to collect all moneys due thereon.

Section 9. All revenues and moneys derived from the operation of the sewerage system shall be held by the Village Treasurer separate and apart from his private funds and separate and apart from all other funds of the Village, and all of said sum, without any deductions whatever, shall be deposited by the Village Treasurer, not more than ten (10) days after receipt of the same, or at such more frequent interval as may from time to time be directed by the Village Board, in a separate fund designated as the "Sewerage Revenue Fund" of the Village of New Lenox, and said Treasurer shall administer such fund in every respect in the manner provided by the provisions of Article 60 of the "Revised Cities and Villages Act," and all laws amendatory thereof and supplementary thereto.

Section 10. The Village Treasurer shall establish a proper system of accounts and shall keep proper books, records and accounts in which complete and correct entries shall be made of all transactions relative to the sewerage system, and at regular annual intervals he shall cause to be made an audit by an independent auditing concern of the books to show the receipts and disbursements of the sewerage system.

Section 11. That a copy of this Ordinance, properly certified by the Village Clerk, shall be filed in the Office of the Recorder of Deeds of Will County, Illinois, and shall be deemed notice to all owners of real estate of their liability for service supplied to any user for the service of the sewerage system of said Village on their properties.

Section 12. Any person, corporation or firm, violating any of the foregoing provisions of this Ordinance shall upon conviction be fined not less than \$5.00 nor more than \$100.00 for each offense; provided however, that each and every day that said provisions herein are violated shall constitute a separate offense.

Section 13. All ordinances and parts of ordinances in conflict herewith are hereby repealed insofar as the conflicting portions thereof are concerned.

Section 14. This Ordinance shall be in full force and effect upon its passage and publication as provided by law.

Passed this 18th day of July, 1960.

MRS. ELIZABETH ANDERSON
Tel. TE 8-4846

Funeral services were held Wednesday morning, July 27, for Mrs. Bridget Agnes Rendell, 80, who died at her home on Parker Rd., Homer twp., on Sunday July 24 after a long illness.

Born in Palos twp., she has lived her entire life in the Palos and Homer area. She is survived by four daughters, Mrs. Eliza Oberst, Mrs. Viola Baer, Mrs. Rosellen Rott and Mrs. Bridget Bengston; one son, Thomas; one sister, Mrs. Alice Homerding; eight grandchildren.

The body was removed to the Schmaedeke funeral home at Orland Park from where the funeral was held to St. Patrick's Catholic Church at Lemont with interment in St. James Cemetery at Sag Bridge.

Fred K. Trask, 82, a long-time resident of Homer twp., who now lived at 513 Washington St., Lockport, died Sunday, July 24, following a long period of poor health.

Funeral services were held at the Goodale Funeral Home, with the Rev. George Moulthrop officiating. Burial was in Lockport City Cemetery.

Born in Cedar Rapids, Iowa, Mr. Trask came to Homer when a young man. He farmed here for several years before moving to Lockport where he has since made his home.

and where he was employed by the Northern Illinois Cereal company for 25 years. He was a member of Mill Cy. Camp, Modern Woodman, and of the First Congregational Church of Lockport.

His wife, the former Jessie Frazer, also of Homer, preceded him in death less than a year ago. Surviving are three daughters, Miss Helen B. Trask of Joliet, Mrs. Clyde (Mildred) Reeves and Miss Elda E. Trask, both of Lockport; one son, Ralph L. Trask of East Moline; two sisters, Mrs. Jessie Vanderlinde of Kansas and Mrs. E. J. Kahler of Sioux Falls S. D.; a brother, the Rev. H. Weed of Cushing, Okla.; six grandchildren and two great-grandchildren.

Mrs. Fern Cope and Mr. and Mrs. Porter Douglas and daughter, Sandra, of Hobart, Ind., were guests in the Earl Burnworth home last Sunday. Later in the week the Burnworths had as house guests Mrs. L. O. Brunworth, her daughter, Mrs. Ronnie Brown and children, all of Sidell, for several days.

On Tuesday, Mrs. Burnworth and her guests picnicked at Dellwood Park, and on Wednesday, they went to Chicago where they visited in the home of a niece, Mrs. Angelo Vinano. On Friday evening, Mrs. Burnworth attended a meeting of the Marine Corps Auxiliary in the home of the local president, Mrs. Lucille Smith.

About 30 women and children attended the annual picnic of the Homer Missionary Society on the church park grounds Thursday. In the absence of the president, Mrs. George Burcham, vice president, Mrs. James Elvig gave an interesting devotional talk. Mrs. F. J. Paddock and Mrs. J. J. Paddock assisted with the dinner. Plans were discussed for filling emergency kits for the United Church Women, and Mrs. Burnworth was appointed to purchase the material for them. An offering was taken to pay for some of the supplies; those who were not present will have an opportunity to contribute at the August meeting.

The annual auction for the benefit of the church budget and plans for the fall bazaar came up for discussion. Anyone who wishes to contribute articles for the auction should notify Sparky Shepherd, Bruce Anderson, Otto Moravec or Ralph Reiter. The date will be announced soon.

Mr. and Mrs. Jack Lyles, Miss Priscilla Strabel and Harry Holstein, students at Wheaton College, conducted the morning service and supplied the special music at Homer Church last Sunday. A dinner was served to about 20 people following the service with the visitors as guests.

Mrs. James Elvig has been entertaining her mother, Mrs. Been, from New Jersey for a few days.

Mrs. John Garabrand, Mrs. Jerome Paddock and Laurie White have been victims of summer flu recently.

Mrs. Marvin Palmer and children of Frankfort were visitors in the Willard Cagwin home Thursday.
